The 10th District continues to serve our Veterans at the Minneapolis Veterans Administration Medical Center. They asked that I express their sincere gratitude to the Tenth District American Legion Auxiliary for your willingness to sponsor Recreation Programs at the Minneapolis VAMC for our hospitalized Veterans. If you have any questions about the above or if you are interested in sponsoring a night, please give me a call at 763-789-1206. I have a name and number for you to call for answers.
